WON Dong Jae, David

Address: Ming Hua Hostel, Room 317, Chinese University of Hong Kong, Shatin, NT

Mobile: 5623-6897 Email: david.won@hotmail.com

OBJECTIVE

To utilize my knowledge and experience in mobile development, in combination with my interpersonal and teamwork skills, to contribute positively to the development of PokeGuide application.

EDUCATION

The Chinese University of Hong Kong   *Sept. 2014 – Present*

Bachelor of Computer Science with Advanced Standing (IB Diploma)

- Cumulative GPA 3.17/4.0, Major GPA 3.3/4.0
- Anticipated graduation: June 2017 (3 Year Graduation)

MOBILE APPLICATION PROJECTS

Software Engineering – CUHK Feedee   *Jan. 2016 – May 2016*

- Designed an application that provides a platform for students on-campus to order food from other students off-campus in a team of 4 people
- Implemented a food-ordering system in Angular JS, HTML, and CSS to facilitate communication between clients
- Coordinated group meetings to increase communication and teamwork between group members and to distribute the workload evenly

Final Year Project – Mental Wellness and Health Mobile App   *Sept. 16 – May 2017*

- Developed a mobile application to aid people in regulating their physical and mental fitness on a daily basis in a team of three people
- Implemented the Android version of the application to cater to users who do not own an iOS phone in Java, using the development environment of Android Studio
- Cooperated with the psychology department's client to create a user-friendly platform for users to take an official mental health questionnaire while fulfilling the demands of the client on design specifications and functionalities

HOBBIES

Unity Game Development in C# - Square Evasion   *Jan. 2017*

- Created games as a side project to get familiar with C# and mobile game development
- Designed, programmed, and debugged the game to experience the software development cycle

- Tested and published the game to the Google Play Store to digest how the software market works and to observe any design flaws compared to other successful games

ADDITIONAL EXPERIENCE

Yuan Tun Jia Restaurant Shenzhen – Part Time Waiter   *June 2016 – Sept. 2016*

- Served an average of 100 customers per day in Mandarin as a waiter
- Worked cooperatively with co-workers efficiently to minimize customer complaints

QUALIFICATIONS

Oracle Certified Associate - Java SE 8 Programmer I Certificate

- Certified on August 31, 2016
